## REQUEST FOR RECONSIDERATION

Mail Stop AF  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The Examiner is respectfully requested to reconsider applicant's amendment filed 20 June 2005. The Advisory Action mailed by the USPTO on July 1, 2005 indicates that the Examiner is of the opinion that the June 20, 2005 amendment raises new issues. However, the amendments that were made to the claims only corrected §112 problems that were pointed out by the Examiner in the previous Office Action. These problems and their

Application Serial

corrections were so manifest that the claim amendments to correct these problems did not change to the scope of the claims. Therefore, these amendments did not raise new issues.

According, the Examiner is requested to reconsider and to enter the amendment and to provide applicant with a response to applicant's June 20, 2005 amendment.

Respectfully submitted,

Schiff Hardin LLP
